This Sunday

How do you define faith? Is it believing something with no evidence? The Christian faith is not fueled by fantasy, it is informed by revelation.

We don't believe on Jesus because we are gullible, or because we no longer want to think deeply about life, but we believe on Jesus because God has revealed himself to us.

Join us this week as we look at how the cross shows us that Jesus is the fulfillment of prophecies made thousands of years before him (*John 19:23-37*).
