This Sunday at CRBC ...

One of the scary things in the Christian life is a slow drift away from God. How do we know when we are drifting? What are things that we drift away from?

This Sunday at 11AM, CRBC Pastor Danny Estave reminds us to *Beware of the Drift*. Join us at CRBC or on YouTube.

God's Love Is Shared Through Media Technology

"Proclaiming the gospel to all people everywhere through every effective means" is the mission of the *Billy Graham Evangelistic Association (BGEA)*. The gospel was recently heard over the internet through the livestream of the *Route 66 God Loves You Tour* last year. Even though a 67 year-old man could not be at the event, he felt the need to hear this message. For decades, he had been walking apart from the Lord and after watching the stream, he wanted a change in his life. He repented, rededicated his life to the Lord, and praised God for finding him. He reached out to the *BGEA* trained volunteer and learned more about the gospel.

In South Africa, a young woman recently watched a short video of Billy Graham on *TikTok* and wanted to hear more. She found one of his full-length sermons on *YouTube* and then connected with the *BGEA* through *Instagram*. A team member directed her to their online evangelism site, PeaceWithGod.net, where she could interact with a trained volunteer and learn more about the Gospel. It was not long before she enrolled in two of *BGEA's* online discipleship courses. She had always thought salvation was something people earned through their "good works," but as she went through the courses and dug into scripture, she began to learn about God's grace. With nothing to offer, she approached God with empty hands because Jesus had already paid it all. She was eager and excited to continue studying God's word to know Him better. She shared with others that the only gift that will take us to heaven is accepting Christ.

After watching one of the *Billy Graham Classics* on TV where he heard the gospel, Jake felt like Billy Graham was talking directly to him. He called the *BGEA Prayer Line* with some questions he wanted answered. Not only were his questions answered, the staff member happily shared the plan of salvation with him. No one had ever explained to him how to become a Christian and he wanted to know more. Jake prayed the sinner's prayer and surrendered his life to Jesus Christ. There are many other stories about people who listen to the *Billy Graham Channel* on *SiriusXM* satellite radio, which airs his sermons 24/7 on channel 460 and on the *SiriusXM* app.

Go into all the world and preach the gospel to every creature. - Mark 16:15

While we sometimes experience the negative side of social media, the good news is that Christian voices and beliefs reach the hearts & minds of more people than ever thought possible. We are thankful to have these platforms, and we know that God can use anything and everything to spread the life-saving gospel message to the ends of the earth. God's love for us brought His Son to us in order to save us for all eternity. What an amazing love!
