This Sunday at CRBC ...

Do you ever wonder what evangelism looks like on an everyday basis, as you are just going about your day, living your life? In Acts 16, Pastor Danny Estave will look at three ordinary conversations about what evangelism looks like in everyday life (*Acts 16*).

This Sunday at 11AM, CRBC Pastor Danny Estave shares *Everyday Evangelism*. Join us at CRBC or on YouTube.

Wednesday Night Bible Study Has Returned

Reading the Bible for Life is a 9-week study that will help us study God's word and properly apply it to our lives. Pastor Danny will lead this mid-week Bible study. Join us in the fellowship hall beginning Wednesday, March 2nd at 7PM.

New Face Mask Rule

As many of you have heard Wake County has decided to withdraw their mask mandate starting Friday, February 25th. In light of this news, your church leadership has decided that we will also change our mask rules for all events that take place at church. Starting this Sunday, February 27th, masks will be **OPTIONAL** for all who attend. If you would like to wear a mask you are welcome to continue to wear a mask. We appreciate your patience, understanding, and grace during this time as we navigate this ever-changing season. We look forward to seeing everyone on Sunday.

Honoring Our Presidents Past & Present

The story of *Presidents' Day* begins in 1800. Following the death of George Washington in 1799, his February 22nd birthday became a perennial day of remembrance for the American people as he was considered the most important figure in American history. Events like the 1832 centennial of his birth and the start of the construction of the Washington Monument in 1848 were cause for national celebration. *Washington's Birthday* became a federal holiday when President Hayes signed it into law in 1879.

The shift from Washington's Birthday to Presidents' Day began in the late 1960s when congress proposed a measure known as the *Uniform Monday Holiday Act* which would combine the celebration of Washington's birthday with that of Abraham Lincoln's February 12th birthday. It would also give a three-day weekend for the nation's workers, reduce employee absenteeism, and bolster retail sales. The UMHA passed in 1968 and took effect in 1971 following an executive order from then President Richard Nixon. The February birthdays of George Washington and Abraham Lincoln were then celebrated on the third Monday in February. By the mid 1980s, the day became known to many Americans as *Presidents' Day*, and had been recognized by over half the states by the early 2000s. Even though Washington and Lincoln remain two of our most recognized leaders, Presidents' Day has become a special day to reflect on the founding of our nation, its values, and our Constitution. We celebrate with special events, reenactments, and with hope students will learn about the lives and achievements of America's chief executives.

While this is good historical information to know, you may be wondering how this affects the church family at CRBC? The Bible tells us to pray for those in authority (*Romans 13:1-2*). This scripture acknowledges that those who are in positions of authority (*local, state, or national*) have been allowed there by God for a specific purpose. When we pray for them, we are praying for God's will to be done. Rather than complain or be angry, we can persevere through with the power of prayer. As Christians, we are to live with a fine balance: standing for that which is true while seeking unity whenever possible, standing firm in the faith while showing grace to those who do not, and holding our leaders accountable while praying for their wisdom and well-being.

Let every soul be subject to the governing authorities. For there is no authority except from God, and the authorities that exist are appointed by God. Therefore whoever resists the authority resists the ordinance of God, and those who resist will bring judgment on themselves. - Romans 13:1-2

The Numbers from Sunday

Last Sunday morning there were again 29 in worship, and tithes and offerings for the week totaled \$1,215. Thank you!
