This Sunday at CRBC ...

What will satisfy your compulsions, addictions, and will actually fix what you feel is broken in you? CRBC Pastor Danny Estave shares how eternal life addresses these desires.

Join us this Sunday at 11AM at CRBC or on YouTube as Paul tells us where we can find the fullness and joy that we all are longing for (*from Colossians 2:8-3:5*).

Blood Shortage - Please Give

The American Red Cross is facing a national blood crisis – its worst blood shortage in over a decade, posing a concerning risk to patient care. Doctors have been forced to make difficult decisions about who receives blood transfusions and who will need to wait until more products become available. Blood and platelet donations are critically needed to help prevent further delays in vital medical treatments.

What is causing the blood shortage crisis?

- 10% overall blood donation decline since March 2020.
- 62% drop in college and high school blood drives due to the pandemic. Student donors accounted for ~25% of donors in 2019 accounted for just ~10% during the pandemic.
- Ongoing blood drive cancellations due to illness, weather-related closures, and staffing limitations.
- Additional factors like a surge of COVID-19 cases and an active flu season may compound the already bad situation.

The Red Cross, which supplies 40% of the nation's blood supply, has had to limit blood product distributions to hospitals as a result of the shortage. In fact, some hospitals may not receive 1 in 4 blood products they need. Blood cannot be manufactured or stockpiled and can only be made available through the kindness of volunteer donors.

Please consider giving blood. Our local Red Cross Blood Donation Center is located 3 miles north of CRBC at 8301 Bandford Way (*8300 block of Creedmoor Road, across from Brennan Station*). To schedule an appointment, call 800-733-2767 or online at <https://www.redcrossblood.org/give.html>.
