## This Sunday at CRBC

Do you consider where the choices you make will lead you? What is the destination? This Sunday, CRBC Pastor Danny Estave looks at King Saul's choices and where they led him, and ultimately where our own choices will lead us.

Join us this Sunday at 11AM for *The Results of Our Choices* (also on YouTube).

## The Essence of Time

How can we define the word time? It means different things to different people. Outside of our spirituality, time is among the most important things we have in life; it's priceless and most importantly of all, it's a gift from God. We need time to work, to sleep, and to accomplish all the daily chores of living.

We all have the same amount of time in each day, but we differ in the way we use this non-renewable commodity. The key to remember is that nothing we can give others is more appreciated than some of our sincere, focused, uninterrupted time. We are born with a set amount of time on earth and we have no way of knowing how much of it we have left. Our time is valuable because it's finite... once it's gone, it can never be recovered, nor can we rewind our misused time. Therefore, it is important to use our time wisely and productively. We are more likely to achieve worthwhile goals if we have good habits dealing with time.

***So, then, be careful how you live. Do not be unwise but wise, making the best use of your time because the times are evil. Therefore, do not be foolish but understand what the Lord's will is — Ephesians 5:15-17***

As Christians, we are not to manage our time the same way the world manages theirs: we are to seek God in everything we do. In a 2014 Blog, Billy Graham had this to say about using our time more wisely:

### Billy Graham - 4 Steps to Use Your Time More Wisely

- First, see each day as a gift from God - thank God each day when we awake for the gift of another day.
- Second, commit your time to God - we are accountable to God for the way we use our time.
- Third, set aside time for God and for others; put Him at the top of our "To Do List."
- Fourth, take time for your own needs as we all need rest & recreation. Jesus told His disciples, "*Come with me by yourselves to a quiet place and get some rest*" — Mark 6:31.

Pray for us all to become better stewards of this precious gift of time, to gain more control over how we spend our time, and to use it for His glory and our good.

## Easter Sunday Is Two Weeks Away

April 9<sup>th</sup> is Easter Sunday, and CRBC will gather for a Sunrise Service at 7:50AM on the grounds, immediately followed by a breakfast fellowship (*beginning ~8:45AM*) in the fellowship hall. Then, at a special time, 10AM, we will complete our celebration with our Easter Sunday Worship Service in the Sanctuary (*no Gospel Project on Easter Sunday*).

Please invite family and friends as we celebrate the resurrection of Jesus Christ, our Lord and Savior, together.

## The Numbers from Last Sunday

There were 35 in worship last Sunday. Giving totaled \$1,123.

## Prayer Requests

- Thank God for the body of Christ. Thank him that He gave us people to do ministry and life with so that they can help in the growth of our faith.
- Pray that we will not live foolish lives. Pray that we will not try to accomplish things in the flesh that only can be accomplished in the Spirit.
- Pray that we will wisely use our time for His glory and our good.
- Please take time to remember those among us who are currently grieving a loss.

*If you have prayer requests to be added to next week's prayer list, please share them with CRBC Pastor Danny Estave or the church office. The contact information is on page 1 of this newsletter.*
