This Sunday at CRBC ...

“What do you want inscribed on your tombstone?” It is a thought-provoking way for someone to describe how they would like to be remembered. How about you? Does your life reflect the way you would like to be remembered?

In Acts 20, Paul gives the church at Ephesus a summary of his life and tells them what he is known by. As Christians, Paul’s speech should sum up our lives as well.

This Sunday, CRBC Pastor Danny Estave shares *The Summation of Your Life*. Join us at 11AM this Sunday, at CRBC or on YouTube.

CRBC’s Refugee Efforts Adapt to a New Challenge

The Raleigh Baptist Association is helping refugee families that have been transitioned to Raleigh from Afghanistan, and have asked us to come alongside a family in desperate need. CRBC has been placed with a very sweet family that consists of a mom with 5 children ranging in ages from 2 to 16. The husband/father was taken captive and is not yet with them.

Last Sunday, our CRBC family took on the material needs of this family, and we are now fulfilling those needs. Their remaining need is tougher; it’s the gift of time. They will need transportation to and from places, help learning English, help with homework, and help with many other things such as learning the Raleigh bus system and how American currency works. As we demonstrate the love of Jesus to them, they will find their feet and gain their independence.

If you are willing to help this family with your time and presence, contact Danny or Courtne Estave, and they will arrange a time and introduce you to the family. This family is an absolute joy to be around and you will get attached to them quickly, but being from Afghanistan, their ways and customs are very different, so please be patient as you work with them because things will not always go to plan. Be prepared to drink hot tea when you visit!

If you are committed to provide an item of need for the family please bring it to church no later than Sunday. If you did not have an opportunity to give Sunday and are moved to help financially, consider providing a Walmart gift card or a cash donation.

Food for the Body and Soul Offered at NC BCH

In order to really appreciate our *NC Baptist Children’s Homes*, we may need to revisit some of its history. BCH was born on November 11, 1885, when nine year-old Mary Presson stepped off the train at a property located in the small community of Thomasville, NC. When Mary was greeted by longtime Baptist John Haymes Mills, founder of the *Thomasville Orphanage*, she became the first child admitted into their care. Today, BCH has grown into a sprawling organization located in 30 communities throughout Carolinas, and in Guatemala. These nonprofits are fueled by charitable funding provided by churches and individual donors. Over time, BCH has added a variety of services to offer help and hope to children, families, single mothers, college students, the intellectually/developmentally disabled, and to aging adults. This Christ-centered organization believes that by modeling the life-changing love that Jesus has shown to every one of us, residents will see and believe that Jesus Christ is the heartbeat of hope that resonates throughout their ministry.

A list of needed food & supply items, along with grocery bags to fill, will be available in the Welcome Center on Sunday, April 3rd. You may bring your donations back to the Welcome Center anytime in April. In advance, thank you for demonstrating your love and sharing your blessings through this ministry, offering help and hope to some of our most vulnerable neighbors. See Pat Danielewicz with your questions.

The Numbers from Sunday
