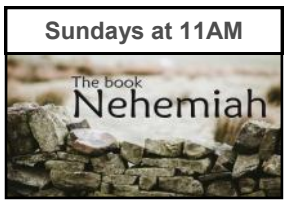
This Sunday at CRBC…



CRBC Pastor Danny Estave begins his sermon series through the book of *Nehemiah*. Through the story of Nehemiah, discover how to discern God's calling, join Him where He is already at work, dream big while serving faithfully in the small things, and allow brokenness to move you beyond your comfort zone.

Ultimately, Nehemiah points us to Jesus, the greater and truer Nehemiah, who left the comfort of heaven to enter our broken world and bring the redemption we could never secure ourselves.

Join us this Sunday at 11AM *(also on YouTube)*.

25 Years Ago: Remembering 9/11... Extraordinary Bravery and Sacrifice

On September 11, 2001, nineteen terrorists associated with the extremist group *al-Qaeda* hijacked four commercial airplanes in a coordinated attack against the United States:

World Trade Center - Two hijacked planes *(American Airlines Flight 11 & United Airlines Flight 175)* were flown into the Twin Towers in New York City causing both skyscrapers to collapse. It was estimated that each jet was carrying approximately 60,000 pounds of jet fuel & traveling at 300 miles per hour when they crashed into the Towers. Approximately 2,753 persons died, including hundreds of firefighters and rescue personnel who were helping to evacuate the buildings.

The Pentagon - A third hijacked plane *(American Airlines Flight 77)* was crashed into the Pentagon, the U.S. military headquarters near Washington, D.C. A total of 184 persons were killed, including all who were onboard the plane.

Shanksville, Pennsylvania - Passengers and crew on the fourth plane *(United Airlines Flight 93)* fought back against the hijackers, forcing the plane to crash in a field before it could reach its intended target in Washington, D.C. All 40 persons on board were killed.

These attacks killed 2,977 innocent people, making it the deadliest act of terrorism in world history. The loss included 441 emergency workers in New York City, the largest single-day loss of first-responder lives in U.S. history. This event deeply transformed global politics, security, and air travel, leading the U.S. to launch the "War on Terror" and establish the *Department of Homeland Security*. You can learn more and view extensive archives through the *National September 11 Memorial & Museum*.

The impact of the 9/11 attacks continues to be felt throughout the United States and around the world. Over the past 25 years, thousands more have died from illnesses caused by the attacks. Over the years Congress has debated and enacted numerous pieces of legislation to provide financial support to the victims. On July 29, 2019, President Trump signed into law the permanent reauthorization of the *September 11th Victim Compensation Fund*, a bipartisan bill that guarantees lifelong funding for the victims and families directly affected by this tragedy.

He who dwells in the secret place of the Most High shall abide under the shadow of the Almighty — Psalm 91:1

As we remember the deadliest terrorist attack in U.S. history unfolding before our eyes over 102 harrowing minutes, most of us were helpless to do more than bear witness as we watched in horror as nearly 3,000 perished. But even amongst our sorrows,13,000 babies were born in the U.S. on 9/11/2001. As Christians, may we remember those who died, including the courageous patriots who gave their lives to save others, with deep compassion, and at the same time, acknowledge the reality of our broken world and live out the urgent need to share the lasting hope found only in Jesus Christ our Lord. Many of the men & women who left home on 9/11 never imagined they would never return home. What about us? Are we eternally prepared not to return to our earthly home by days end? And what about those we love?

September 6th — October 25th

Prayer Points

- Lord, open our eyes to what You are already doing and give us courage to join You. Help us to be faithful in the small things, willing to step out of our comfort, and ready to follow wherever You lead. May our lives ultimately put Jesus on display.
- This Friday, on the 25th anniversary of 9/11, remember those who perished that day, and give thanks for the brave patriots who gave their lives to save others. Acknowledge our world is still broken, and Ask God to instill in you the urgency to share the lasting hope you have found in Jesus Christ, and pray for those in your life that have yet to find Him.

If you have prayer requests for next week's newsletter, please share them with CRBC Pastor Danny Estave or the church office. The contact information is on page 1 of this
