## This Sunday ...

Pastor Danny concludes his series *Foundations* with *What Is My Role in the Mission?* from Matthew 28:19-20.

Weather permitting, we'll see you there this Sunday at 11 am.

## From Pastor Danny: Regarding Hurricane Florence

Church leaders are watching the storm closely, as I know you are too, and will make a decision for Sunday worship when we can see if we will be able to travel and worship safely on Sunday. I have talked with my deacons and they are ready and available if anyone needs help. If you are in need during or after the storm please call your deacon and we will do whatever we can to assist. If the storm does come through Raleigh, and we are not able to worship, then your deacon will call you to inform you. We will also put the cancellation on social media.

If due to extreme conditions we cannot contact you i.e. power outage, cell phone towers not working, and flooding then we will not have church service. If all forms of communication are gone then we will not have service. I always advise you to be safe, and do not try to get out if you feel that it is unsafe. I pray that this does not happen, but wanted to advise if it did.

Continue to pray for those who will be affected by this storm. I pray that you will be safe, and that we will be able to see each other on Sunday. If you need anything please contact your deacon or me. We love all of you and stay safe. God Bless, Pastor Danny
