This Sunday at CRBC

Have you ever felt like your sin is greater than God's grace? Or conversely, do you feel casual about your relationship with God? CRBC Pastor Danny Estave begins his new series in Ezekiel, highlighting our call to speak the message that God gave us.

Worship with us this Sunday at 11AM (also on YouTube).

The Hope Found in the Gospel Project

This past Sunday, we completed our summer edition of study from the *Gospel Project*. From June 2nd through August 25th, we have been encouraged and strengthened to embrace the mission of reaching people for Jesus Christ. In the last three Sessions, we read, in Revelation, about the vision John received from God that captured the essence of the eternal dwelling of Christ and his people. Even though Revelation can be difficult to read and understand, it's extremely import to know that one day:

- Jesus will return in bodily form to rule and judge the world. Those whose names have been written in the Lamb's book of life will live forever as they praise and worship God in eternity.
- Those who have rejected Christ will be thrown into the lake of fire for all eternity.

Therefore, those who are in Christ should reject fear and look forward, with hope and optimism, to the day Jesus returns and makes all things new, and at the same time, live with great urgency as we all have family, friends, co-workers, and neighbors who have rejected the need for a Savior. We, his people, are God's greatest possession, and must live out the mission that is the Great Commission: **Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit — Matthew 28:19**

The Benefits of Attending Sunday School

There is a distinct advantage for those who attend Sunday School. First of all, it pleases God to worship him in this way and deepens our spiritual growth. It also gives us an extra hour each Sunday morning to see God's plan and purpose for our lives.

Our Sunday school lessons in the *Gospel Project* include daily Bible reading that provides six opportunities each week to draw closer to God and become more like his son, Jesus. On Sundays at 10AM, we gather and pray for the needs of our class members and others. We study God's word together, learn his truths from one another, and discuss real world scenarios where we can obediently apply these truths to our everyday lives and naturally share them with other people.

The goal of the *Gospel Project* is much more than gaining Bible knowledge; the goal of the *Gospel Project* is life change. If that interests you, we encourage you to attend this Sunday morning at 10AM, and if possible, bring someone with you. Hope to see you there!
